3 “**SECTION 1919g.** 121.91 (4) (L) of the statutes is created to read:

4 121.91 **(4)** (L) If the cost to a school district of providing health insurance for
5 its employees increased over the previous 2 school years, at a rate that was at least
6 twice the rate of increase certified to the state superintendent over those 2 years
7 under s. 73.0305, the limit otherwise applicable to the school district under sub. (2m)
8 in the current school year is increased by an amount equal to 50 percent of the
9 difference between the actual cost to the school district of providing health insurance
10 for its employees over the previous 2 school years and the cost the school district
11 would have incurred to provide health insurance to its employees over the previous

1 2 school years had the rate of increase in that cost been equal to the rate of increase
2 certified to the state superintendent over those 2 years under s. 73.0305.”.
